

# RESOURCES FOR STUDENTS

## during COVID-19 closure

Here are some resources we hope will make GSA campus closure easier for students and their families.

Please follow the links below.

### EMAIL GSA

This link will take you to the profiles of all GSA faculty and staff.

Simply click on the name of the person you need to reach and then on the email listed under their photo.

### STUDY TIPS

This links to a helpful guide created by the University of Michigan.

Find tips on how to prepare students for the shift to remote learning.

### FREE INTERNET

If you don't currently have a home internet connection or have an unreliable one, Spectrum is offering installation and 60 days for free.

New customers only.

### NEWS

Many newspapers have removed their paywalls so readers have access to the most current updates on COVID-19.
